

# DEAR TEACHER,

A+

When we started back in the fall,  
we were a little more timid and a little less tall.  
We hugged our mommies and were greeted with a smile.  
Day after day spring, winter, and fall.  
We spent a lot of time learning between  
those classroom walls.  
We knew a few letters, but we didn't know them all.  
And we learned our phone numbers in case  
we needed to make a call.  
We learned about rhyming. "What rhymes with ball?"  
We learned the days of the week.  
And how to walk quietly down the hall.  
We learned to love learning, which is  
most important of all.  
A big thank you to our teachers for helping us grow,  
and we want you to know that we will miss you so!
